

The Beaumont-Cherry Valley Water District (District) will be holding a public hearing during the Engineering Workshop Board Meeting on June 1, 2017 to receive input and comment on the creation of a Groundwater Sustainability Agency (GSA) In accordance with §10723-§10724 of the California Water Code. Both written and oral comments will be accepted either on or prior to the date of the public hearing.

Date of Public Hearing: June 1, 2017

Time of Public Hearing: 7:00 pm

Location:

Beaumont-Cherry Valley Water District Board Room

560 Magnolia Avenue

Beaumont, CA 92223

The Beaumont Cherry Valley Water District proposes to create a Groundwater Sustainability Agency (GSA) for the San Timoteo Sub-Basin, along with Yucaipa Valley Water District, the City of Redlands, and the San Gorgonio Pass Water Agency. This is required under the California Sustainable Groundwater Management Act (SGMA) of 2014

A copy of the proposed (draft) Memorandum of Agreement between the parties listed above and an associated Staff Report from the District's May 18 Special Board Meeting Agenda is available at the District's website at the following location: <http://www.bcvwd.org/sgwma.html>

A District Resolution related to creation of the San-Timoteo Sub Basin Groundwater Sustainability Agency may be adopted by the Beaumont-Cherry Valley Water District subsequent to the June 1, 2017 public hearing related to creating the San Timoteo Sub-Basin GSA with the Yucaipa Valley Water District, the City of Redlands, and the San Gorgonio Pass Water Agency.
